Table 2 Necessary provisions for use of work equipment during MOSES pilot demonstration .....	10

## List of Acronyms

<b>Abbreviation / acronym</b>	<b>Description</b>
DoA	Description of Action
D9.3	Deliverable number 3 belonging to WP9
EC	European Commission
PPE	Personal Protective Equipment
WP	Work Package

## Executive Summary

This document is part of the *Ethical Requirements* requested in WP9 and corresponds to the requirement EPQ – Requirement No. 3.

This deliverable outlines the health and safety procedures that must be followed by the staff taking part during the pilot demonstrations of MOSES, conforming to relevant local/national guidelines and legislations. The aforementioned demonstrations will be conducted in relevant testing environments where the participants will include only personnel employed by the members of the Consortium.
